AQUA (WATER), SODIUM CUMENESULFONATE, SODIUM LAURETH SULFATE, SODIUM COCOAMPHOACETATE, PROPYLENE GLYCOL, TRICLOSAN, CITRIC ACID, HYDROXYPROPYL GUAR, SODIUM BENZOATE, COCOGLUCOSIDE, GLYCOL DISTEARATE, GLYCERIN

* The ingredient declarations used are in compliance with the International Nomenclature Cosmetic Ingredients (INCI).

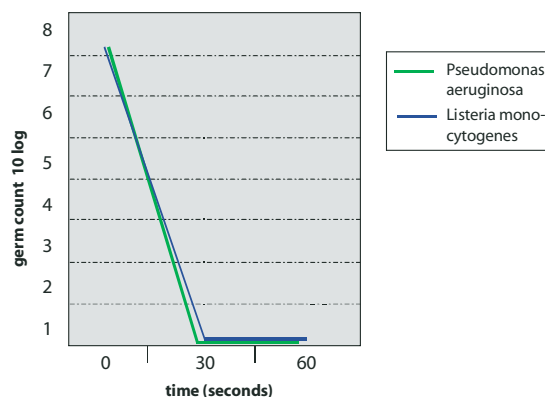

Skin Compatibility Tests

STOKO® ANTIBACTERIAL is proven to have very good skin compatibility properties in human-experimental tests and in practical use. A skin compatibility expert report prepared by the Department of Dermatology, Clinic Krefeld, Germany, is available for STOKO® ANTIBACTERIAL.

Antibacterial Effectiveness Tests

Antibacterial efficiency of STOKO® ANTIBACTERIAL was tested in accordance to EN 1040 using the following germs: Staphylococcus aureus, Pseudomonas aeruginosa, Listeria monocytogenes, and Salmonella typhimurium (Laboratory for Toxicology and Ecology, Evonik Stockhausen GmbH, Krefeld, Germany).

Antimicrobial Action of STOKO® ANTIBACTERIAL

The residual effect was tested using the test germs Staphylococcus aureus and Escherichia coli. Tests results indicate that STOKO® ANTIBACTERIAL is still effective up to 6 hours after washing hands (Technical Report, Ciba Specialty Chemicals Inc., Switzerland).

Statutory Regulations

STOKO® ANTIBACTERIAL is governed by the Ordinance Regulating Cosmetics, the Cosmetics Directive of the EC and are not subject to the Chemicals Act or the Ordinance Regulating Hazardous Substance.

Safety Data Sheet

An EC safety data sheet containing additional product information is available for STOKO® ANTIBACTERIAL. This can be downloaded from www.stoko.com.

Quality Assurance

All of our products meet the bacterial purity standards as they apply to medicines for external use (as defined by PhEur) :

< 100 reproducible germs / g product.

Verification tests in this respect are a regular feature of our quality assurance procedures.

Shelf Life

STOKO® ANTIBACTERIAL can be stored in an unopened container at room temperature for at least 30 months. Shelf life after opening: see indication on packaging.

First Aid

In the event of accidental eye contact with STOKO® ANTIBACTERIAL, immediately rinse well using plenty of water (eye douche, eye irrigation bottle). Contact a doctor if burning sensation persists.

Additional Information

Expert report and bibliographies are available upon application.
